

People from your neighbourhood...

DID YOU KNOW:

- ▶ From cancer surgeries, to hip & knees, from the critically ill to the emergency case, our hospital is doing more and more every year. – some **50,000** patients a year will be impacted by our redevelopment project.
- ▶ From caring for a sick child, to the most serious accidents and injuries, our Emergency Department is our hospital's front line, seeing some **27,000** patients a year.

We've Started!! John Wilkinson, MPP Perth Middlesex and Honorary campaign co-chair joins Leslie Showers, HPHA Board member and Andrew Williams HPHA CEO in turning the sod for the new parking lot. The new wing will be built on the existing parking lot.

- ▶ New Operating Rooms will be a "cut above" the current O.R. – **2,326** major surgeries performed last year.
- ▶ **440** young children stayed in our paediatric unit.

- ▶ Some **570** patients a year count on the Intensive Care Unit.
- ▶ State of the art digital technology like the PACS system that will revolutionize medical imaging. – **20,907** medical imaging visits in one year, **2,868** CT scans.
- ▶ Mental illness can affect anyone... **534** area residents were treated in our inpatient mental health unit last year. **Four in five** Ontarians will know someone who has experienced mental illness.
- ▶ There are few things that bring more joy to a family than the birth of a child, over **1,200** babies a year are born at Stratford General Hospital.
- ▶ Stratford and Area Physicians and Patients can Access Numerous Specialists in our hospital including: Obstetrics and Gynaecology; General Surgery; Paediatrics; Orthopaedic Surgery; ENT Surgery; Urology; Psychiatry; Ophthalmology; and Plastic Surgery.

When a bandaid is not enough...
