## STRATFORD GENERAL HOSPITAL REDEVELOPMENT

– PHASE TWO PROJECT No. 1879-03

### NOTICE OF TENDER CALL - TENDER NO. T-165

The project consists of a new two-storey 75,000 sf building, to house Surgical Services, Medical Imaging, Emergency and Sterile Processing Departments. The 35,000 sf. infill/renovation will house a new ICU, Mental Health unit, and an expanded Maternal Child unit. Project delivery is via a stipulated sum contract.

Further to the advertisement in the Daily Commercial News on July 24, 25, 26, 2007 calling for pre-qualification for General Contractors and Mechanical and Electrical Subcontractors for new construction and renovations to Stratford General Hospital that closed at 12:00 PM EDT on August 10, 2007, Stratford General Hospital is pleased to announce that the General Contractors and Subcontractors that have been pre-qualified for this work are:
